Another one!

The black haired cat already was waiting at the door as James came home after work.

As always.

James smiled. "You hungry, kitty?"

A purr.

He searched for the right key to the front door.

"They don't feed you well enough, it's a shame".

Some rubbing along his slim leg.

"But I'll give you what you want ... What you need", James cooed. "You're such a beautiful tomcat".

His caressing hand got licked several times.
He shivered in anticipation.

Finding the key, he managed to open the door, switched off the alarm system and turned around.

"Come in now, Kirk".
